

JANUARY 2025

SANCTITY OF HUMAN LIFE MONTH

Celebrate the Gift of Life!

This January, our church honors Sanctity of Human Life Month, emphasizing the value of every human life from conception to natural death.

PSALM 139:13-14

JANUARY 2025

SANCTITY OF HUMAN LIFE MONTH

Celebrate the Gift of Life!

This January, our church honors Sanctity of Human Life Month, emphasizing the value of every human life from conception to natural death.

PSALM 139:13-14

Celebrate the Gift of Life with Us!

Why It Matters: Every life is a precious gift from God, and as a community, we are called to protect and cherish that gift. During this month, we will reflect on the importance of life, advocate for the vulnerable, and support families in need (James 1:27).

Some of the Ways to Get Involved:

- **Discipleship Programs:** Engage in our discipleship trainings that emphasize the value of life and God’s purpose for each person: makinglifedisciples.com.
- **Care Net’s Abundant Life Prayer Network:** Join a network of fellow believers, interceding for the unborn (the most vulnerable) and the needs of women, men, and families in our community faced with pregnancy decisions: makinglifedisciples.com/pray-with-us.
- **Volunteer at a Pregnancy Center:** Organizations like Care Net have more than 1,200 affiliated pregnancy centers in North America, which provide support and resources for expectant mothers and families. Find a center near you: care-net.org/find-a-pregnancy-center.
- **Healing Ministries:** If you or someone you know has experienced the emotional pain of abortion, we invite you to discover healing and forgiveness in a supportive environment designed for restoration. Learn more by visiting: abortionhealing.org.

Let’s affirm that every life is worth living!
