

Care Net
AFFILIATION AGREEMENT

This affiliation agreement, made as of the _____ day of _____, 20____ by and between _____ (name of corporation), hereinafter, pregnancy center, and Care Net.

The term affiliation, as used herein, shall be defined as the act or condition of being allied or associated with Care Net. The affiliated pregnancy center is engaged in a working alliance with Care Net through adherence to each paragraph of the **Affiliation Agreement** and **Standards of Affiliation** as stated by Care Net. This agreement shall be deemed to be executed within the state of Virginia and shall be governed by Virginia law.

In consideration of the mutual promises set forth herein, and for good and valuable consideration, the parties do hereby agree as follow:

1. The pregnancy center concurs with each and every requirement set forth in the **Statement of Principle** attached hereto and incorporated herein by reference. Pregnancy center agrees to fully comply with such principles in all its activities.
2. The pregnancy center concurs with each and every affirmation set forth in the **Statement of Faith** attached hereto and incorporated herein by reference. **Pregnancy center will not engage the services of any board member, director, or volunteer who does not concur with each and every such affirmation.**
3. The pregnancy center agrees to fully comply with each and every standard set forth in the **Standards of Affiliation** for pregnancy centers, attached hereto and incorporated herein by reference. In particular, the pregnancy center agrees to submit to Care Net on or before **March 1 (or such other deadline after March 1 as may be established by Care Net)**, the **Certificate of Compliance** (the annual affiliation report), annual affiliation fee and a completed copy of the **Pregnancy Center Statistical Report**.
4. The pregnancy center agrees to pay the initial affiliation fee as established by current Care Net fee schedules and to pay all subsequent renewal fees while a Care Net affiliate. The center's initial affiliation fee will be pro rated based upon the time of year that affiliation occurs. However, if the center chooses to end its affiliation status prior to paying a full year's affiliation fees, Care Net will be entitled to collect this difference from the center as consideration for the free manuals and other benefits offered at the time of initial affiliation.
5. Care Net, at its sole discretion, reserves the right to revoke the affiliation status of the pregnancy center if Care Net determines the pregnancy center to be in breach of any of the above mentioned requirements or if Care Net determines that revocation of such affiliation status is otherwise in the best interests of the Care Net affiliation network.
