SUGGESTED BIBLE READING SCHEDULE

Suggested Bible Reading Schedule

The richness of God's Word helps to inform our prayers. We would like to encourage you to join us in reading through the Bible on an annual basis. This plan lays it out so that the Old Testament is read through in the course of the year, the New Testament twice, and the Psalms three times. **We also recommend reading the Proverb that correlates to the day of the month**; i.e. on January 1st, you read Proverbs 1, and March 31st you read Proverbs 31.

One way to enhance your reading is to read it out loud with others as a Public Reading of Scripture (PRSI.org), perhaps with friends or family. Or listening to it through a Bible App on your smart phone or computer as the Word comes to life.

Another way to enrich your time spent in the word is to gain more understanding of the context of the scripture through notes in a study Bible, Bible commentary, online commentaries, or BibleProject.com.

We pray that you will be blessed by being in God's Word this year!
